in his provocative new book blackonomic the way to psychological and economic freedom for african americans james clingman disputes long accepted tactics aimed at gaining economic empowerment for blacks clingman believes that economic clout holds greater sway than political that blacks must first help themselves before reaching out to help others and that blacks should stop counting firsts and says instead call me when the number reaches 1 000 blackonomic is a must read for black leaders and organizers of every stripe

for undergraduate and mba courses in consumer behavior solomon goes beyond the discussion of why people buy things and explores how products services and consumption activities contribute to shape people's social experiences

the dc multiverse is a collection of alternate reality worlds where anything is possible each world tells the tale of a possible split in reality or shows how lives vary depending on a single solitary decision but now that the multiverse has been destroyed the batman who laughs has used his god like power to create a new dark multiverse a collection of 52 evil worlds each more terrifying than the last this one

shot offers the curious and the brave a glimpse into the nightmare realities that the batman who laughs has created in tales by creators who know what it means to have a truly twisted sense of misfit humor an arkham asylum even more terrifying than what we know a world of evil super pets all that and more in these new tales of the multiverse who laughs

examines the role of television in public space at different points in the history of the medium and how that differs from the normal assumptions of domestic viewing space

don't miss the epic and heart pounding conclusion to ted sanders's keepers series for centuries the keepers and the wardens have been guarding the mysterious mothergates a source of incredible power but now the mothergates are dying and horace and his fellow keepers know that the weakened gates may unleash a dangerous force that will consume the world and destroy everyone in it while their enemies are willing to take this careless risk horace and his friends are prepared to sacrifice themselves for the preservation of the world with their strongholds destroyed and many of their friends captured the keepers chance of succeeding hangs by a thread but all hope is not lost as a mysterious talisman of power is discovered it may hold the key to saving the universe if they can unlock its secret in time this fourth and final book in ted sanders's gripping keepers series brings horace and chloe's story to a heart pounding conclusion where friendships are tested dangers are faced and the ultimate sacrifice must be made

josh smith's work focuses on themes of authenticity and authorship he first became known for paintings in which he used his name as a motif on the canvas shattering the myth of the artist through an act of ironic self marketing in his latest series abstraction smith creates archetypes from abstract paintings airy compositions in lively colors although he takes his stylistic cue from the abstract expressionist school which bestowed mythical status upon the artist smith's unusual color combinations and cartoon like forms retain little of this weighty background his appropriations from abstract painting are quite direct and endow this artistic tradition with a refreshing lack of pretension the first volume of this slipcased set features smith's abstract paintings the second features his palette paintings palettes on which the artist has squeezed out his brushes pursuing a completely straightforward aesthetic of simple forms a text booklet contains an interview with the artist

multi volume major reference work bringing together histories of companies that are

a leading influence in a particular industry or geographic location for students job candidates business executives historians and investors
